Enrollment Notes:

- Courses are subject to change without notice. Please check department offerings for confirmations and changes.
- If you are trying to enroll in an upper division course that requires pre-authorization, you will need to contact the department offering the class in the “**Virtual Advisor Center**” to ask for pre-authorization to enroll in the course.

******Policy for submitting petition for pre-approved courses ******

If you are taking a course that is offered “by petition” it will not automatically show up your degree audit.

You will need to submit a petition or send a message in the VAC asking for the following:

“Please accept _____, a Global Health Pre-Approved Course, towards _____ requirements for my Global Health Major.”
