

Global Health Minor Degree Check

<http://globalhealthprogram.ucsd.edu>

The Global Health Minor consists of **seven four-unit courses**, at least five courses (20 units) of which must be upper division. All courses applied to the minor must be taken for a letter grade of C- or better.

Core Requirements (Three courses):

Choose one of the following introduction courses:

- GLBH 20.** Intro to Global Health

Choose two of the following three options:

- GLBH 148.** Global Health and Cultural Diversity
- GLBH 181.** Essentials of Global Health
- MGT 173.** Project Management in the Health Services

Electives (Four courses):

One Health Related Biological Science Elective (may be lower division):

- 1)** _____

Three Upper Division Electives:

- 2)** _____ **3)** _____ **4)** _____

Global Health Field Experience (GHFE) Requirement (optional):

Global Health minors may choose to complete a 100-hour Global Health Field Experience Requirement to complement their coursework.

Field Experience Requirement: Students who do not plan to complete the optional Field Experience Requirement for the minor should send a message in the VAC to the Global Health Program and ask for the requirement to be **waived**. Students wishing to complete the field experience must submit a letter of verification upon completion of their experience.

Study Abroad Courses: A maximum of two courses may be petitioned for credit towards the minor.

Course overlap: *Lower division courses can overlap between majors, minors and GE requirements. Two Upper Division courses may overlap between your major and minor. Two courses will automatically overlap on your degree audit. If the courses should not be overlapped send a message to your minor department in the VAC.*
